School Accountability Report Card

Reported Using Data from the 2017-18 School Year

Published During 2018-19

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2018-19)

OCI Mission Statement

At OCI we guide our students to reach their potential academically, physically, and socially. We foster the desire to reach their personal best and become lifelong learners. We teach our students to use technology effectively and appropriately. We believe that academic achievement is measured by the ability to solve problems in an ever-changing world. All of this takes place in a safe, positive, and supportive learning environment.

OCI School Profile

Oak Creek Intermediate School is one of 4 schools that make up Bass Lake Joint Union Elementary School District. It is a rural school located in the western foothills of the Sierra Nevada. OCI has an enrollment of 193 students. The school serves sixth through eighth grade students with a staff of 6 regular education teachers, 1 RSP teacher, 1 Special Day Class teacher, 2 part time RSP instructional assistants, 3 part time SDC instructional assistants, a part time Library Tech, an office staff of 1.5, and 1 principal. A counselor is provided for at risk students and paid for through a grant and is at the school 1 day per week. A school psychologist is provided by the district and shared among the three school sites. The services of a Speech teacher and a Deaf and Hard of Hearing teacher are contracted for through the Madera County Office of Education. Our students have the use of 1 to 1 Chromebooks and are well versed in technology. OCI was recently recognized as a PBIS Silver Level Recognition School. The Mission Statement adopted by the Bass Lake Joint Union Elementary School District and OCI is "Every Child... a Promise". This idea is supported by staff actions and deeds on a daily basis.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Year and month in which data were collected: August 2018

The district establishes a text book selection committee that reviews and researches the current adoption offerings. We have been through the process with ELA and math in recent years and are scheduled to take a look at science in the coming year. All students have access to text books either with book or online versions of the text.

School Facility Conditions and Planned Improvements (Most Recent Year)

Our school rating was exemplary based on the last FIT. We recently put in additional walk ways, and took out a few trees that were close to foundations. Our water system was upgraded in 2017 by connecting to the Hillview Water System. The school site and district worked together to develop a prioritized list of items to replace or repair in the coming years to ensure that our site is well maintained and safe. The district replaced our aging phone system with a new state of the art system that is expandable to include bells and alarm system. We are hoping to install irrigation and grassed areas where dirt currently exists. The district is replacing the gym floor that was in need of repair. We are constantly working to improve our site.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

**CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students
Grades Three through Eight and Grade Eleven**

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2016-17	2017-18	2016-17	2017-18	2016-17	2017-18
English Language Arts/Literacy (grades 3-8 and 11)	35.0	37.0	43.0	45.0	48.0	50.0
Mathematics (grades 3-8 and 11)	35.0	34.0	40.0	38.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Test Results in ELA by Student Group

The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site.

Opportunities for Parental Involvement (School Year 2018-19)

OCI works diligently to maintain open and clear communication with the school community. A variety of communication channels are utilized including an online parent portal, regular progress reports, newsletters, Blackboard Connect automated phone, text, and email system, flyers, Sierra News Online, Sierra Star newspaper, Parent conferences twice annually, mass email, Facebook updates, a school calendar that is sent home monthly and posted on the district website, and OCI website. Parents are encouraged to take an active role in their child’s education while enrolled at OCI. Parent Volunteers are encouraged to work in the classrooms with individual and small groups of students. The following opportunities are available to parents:

- Parent Teacher Club
- School Site Council
- Volunteering to work with small groups in and out of the classroom
- Pentathlon team coach
- Dance Chaperones
- Field trip Chaperones
- Ski School instructors
- Fundraising Opportunities

The PTC has recently seen an influx of new members. Parent volunteer help has increased. We had a record number of helpers at our Water Fund Run and parents have organized bake sales and paint nights. The principal has an open door policy where students feel safe to report and work on interpersonal challenges through office visits, email, and text messaging. OCI has a theme of "PACK Pride", Personal Best, Academic Excellence, Character, and Kindness. Assemblies are held quarterly to recognize Pack Pride Students for achievement and improvement. A counselor is on campus every Wednesday to meet with students who are struggling socially and emotionally. The ASB and Leadership class plan fun, positive activities throughout the year in order to help contribute to a positive school climate such as school dances, spirit days, community events, color run, and canned food drives, Red Ribbon Week and the Spring Fling. OCI participates in inter school sports programs competing against other mountain area schools. The Mountain Area Ski School (MASS) has been operating at Badger Pass Ski Area in Yosemite for decades. OCI participates annually in the ski school during the winter months. OCI partners with Yosemite High School for instrumental music instruction. Students can choose to participate in the band elective at YHS or choose one of the other electives on campus during first period. OCI has developed a wide elective course offering including art, health and fitness, drama, Yearbook / Photo, Web Design, Scale Drawing and Model Building, Spanish, and Leadership in addition to band. The PTC funds a choral music teacher that meets with students weekly.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

School Safety Plan (School Year 2018-19)

The School Safety Plan is reviewed annually. It was approved by the Board of Trustees at their November meeting. OCI keeps an emergency binder in the office that details the safety plan and provides information to first responders including electrical and water shut off information and keys to all buildings. Safety is discussed at staff meetings and shared with students at our PBIS rotation schedule on the first day of school. Safety is discussed with students at quarterly principal talks. Safety drills are conducted monthly. The district safety plan is constantly updated.

Types of Services Funded (Fiscal Year 2017-18)

The District's and the school's adopted mission statement both guides and drives the actions of Oak Creek Intermediate School. Regularly scheduled meetings involving site and district leadership allowing maximum communication resulting in the alignment of site level policies and practices with the mission and goals of the District. To ensure collaboration among those who will support our students and our families, Oak Creek Intermediate School maintains necessary committees that meet regularly to coordinate varying areas of program responsibility. Membership on these committees includes site administration, certificated and classified personnel, parents and community members. Additionally, Oak Creek Intermediate involves parents, certificated personnel, and classified staff members to serve jointly on the school site council, where they process the creation, evaluation, and revision of programs that further the mission statement of both the school and the District. The SSC annually reviews the school site plan in terms of effectiveness in providing all students the opportunity to achieve high standards.

We provide services for math and reading intervention as well as EL services. The district also provides a mental health counselor to assist our students that are in need of those services.

Professional Development (Most Recent Three Years)

Professional Development is accomplished through specific content area training and school wide training. Starting in 2015-2016 the district provided training in CPM math for our 6-8 teachers. The math teachers we also given 2 planning days per year to meet and collaborate. We adopted a new ELA program in 2017-2018 and have dedicated 1 day of training as well as webinars with the publisher. A team of admin and teachers are meeting and receiving training for EL strategies as well as working with Madera County Staff to plan and refine our EL intervention. Staff meets regularly by department to plan and talk strategy. The PBIS team has provided monthly training and discussion to move forward. Individuals and teams have attended conferences and workshops related to their specific grade level or specialty. Our special education staff has attended Linda Mood Bell workshops, CPI, and other related training. Teachers have visited classrooms and done observations at other schools to either view new programs or get ideas to implement new programs. A team of special education teachers and regular education teachers attended a conference on inclusion. Accelerated Reader has trained our Special Ed Staff in the current version of AR and AM. iReady trainers have conducted webinars to update our staff on the program. We looked at our writing scores and came up with ideas and strategies to improve our quarterly writing prompts.
